Get to know Michael D.J. Eisenberg
and The Tech-Savvy Lawyer.

MICHAEL D. J. EISENBERG, ESQ

Michael D.J. Eisenberg is a solo practitioner based in Washington, DC, advocating for veterans, military members, and their families for nearly two decades.

THE TECH-SAVVY LAWYER

Michael has been helping lawyers and law offices utilize technology tools to promote efficiency and effectiveness for decades. He created the blog and podcast in 2019 to share that information and more with the world.

SUGGESTED TOPICS

1. The use of Artificial Intelligence in legal practice.
2. Common misconceptions about using technology on the go.
3. Will the Cloud replace “Brick and Mortar” offices.
4. Simple tech tips and tricks that add up over time to save attorneys and their clients time and money.

SUGGESTED QUESTIONS

1. What are the latest technology trends and tools that lawyers should be aware of to enhance their legal practice? ex. A.I.
2. Do you have some examples of technology significantly improving a lawyer’s efficiency, effectiveness, or client service?
3. What advice do you have for lawyers looking to embrace and integrate technology into their legal practice, especially if they are just starting to explore these opportunities?
